NSW · birthplace of Australian wine

The areas around Sydney have the longest history of grape growing in Australia. James Busby's original collection which arrived in Sydney in 1833, started what was to be an unimaginable progression in viticulture. These first cuttings were originally planted at the Sydney Botanical Gardens less than 500m from where we now sit. This was the most significant development in the early history of Australian wine as cuttings of these vines made their way to other parts of Australia.

We wanted to highlight the quality and progression we have made in premium winemaking in NSW and celebrate how far we have come. This is a showcase of a small selection of the 3 varieties we feel best tell our story.

Semillon

Hunter Semillon is one of the wine world's great wonders, able to morph over time from a zesty, crisp youngster into a deep golden, nutty, honey and straw-scented old-timer. Hunter Valley Semillon is the hidden gem of Australian wine.

Shiraz

Shiraz in NSW is decidedly different to other famous regions such as Barossa and McLaren Vale. In the Hunter the wines are medium-bodied with red fruit and savoury, earthy characteristics and massive ageing potential. Canberra, with its cooler hills and higher elevation, the Shiraz and Viognier blends emulate the wines of the Northern Rhône Valley with a lighter body and silky texture.

Skin Contact Whites

This section of the list is an ode to how things used to be done and how producers across the globe are again practicing. The philosophy that the entirety of the grape and not just its juice is to be used, allows every element of that grape to play a role. White wines made like red wine. Whilst some producers will simply encourage some contact to aid in preservation and structure, many wish to develop a depth and intensity of flavour, structure and excitement that most people have not had the pleasure to experience. Below, we have listed the wine on a scale of intensity from top to bottom, with the first being the cleanest and fresh then heading down the page to the richer, more textural and wonderfully complex.

Joshua Cooper • Macedon Ranges & Surrounds • Victoria

Josh Cooper is a wine maker on the rise. With 15 years in the industry and cutting his teeth with the likes of Yabby Lake, Hewitsons, Tyrrell's and further afield with the renowned Burgundy wineries of Domaine de la Vougeraie, Domaine Jean-Jacques Confuron and Château de Beru. Josh is now out on his own, and we think one of the most exciting young Australian wine makers to keep your eye on over the coming years.

"Having grown up in the region surrounded by vines and wine, my winemaking is centred around an exploration of the Macedon Ranges and their adjoining regions. Seeking to capture site and season as accurately as possible, these sites deliver powerful grapes with a huge amount of character and savoury structure. The wines are made very simply, with a small amount of sulphur being their only addition." – Josh.

Chardonnay

2019 Cope-Williams Vineyard Macedon Ranges 150

"As is typical of my chardonnays the Cope-Williams opens with faint crushed stone and snuffed match aromas, slowly revealing green apple and grapefruit pith, white flowers and flashes of green almond and feijoa. An incredibly intense and linear wine the persistent fruit is cleansed by a seemingly endless flow of glassy acidity."

2019 Captain's Creek Vineyard Blampied 150

"Opening with aromas of faint crushed rock and flint, lemon balm, and perfectly ripened stone fruit, this vintage shows brilliant clarity and length, with a savoury element provided by the cool climate and basalt soils, and an amplification in depth due to the season."

Rosé

2019 Rosé of Doug's Vineyard Macedon Ranges 150

"Striking orange-red in the glass and perfumed with exotic spices, red cherry and raspberry fruit. While taught and energetic, it is also a very tactile and gourmand."

Pinot noir

2020 Doug's Vineyard Macedon Ranges 185

"As usual for Doug's Vineyard this vintage is intensely aromatic, full of wilted rose petal, sour red cherry, porcini and clean turned earth, with a seasoning of exotic spice."

Cabernet Sauvignon

2020 Shay's Flat Vineyard Pyrenees 185

"My first vintage of this wine. Intense dark cherry and cassis, mulberry, lavender and black olive, flecked with wild herbs and an alluring graphite and cedar complexity. A refined palate leads with plush fruit, before a rumble of fine, layers tannin and cleansing acidity with a persistent trail of graphite, dark cocoa and Dutch liquorice."

Shiraz

2020 The Springs Vineyard Heathcote 130

"Full of exotic herbs and spices, clove, pepper, black olive, wafts of smoke, scorched earth, rose and violet, blackberry and red cherry fruit. This is a deep and structured vintage of The Springs, with a lovely balance of tannin, acid and dark fruit."

El Jolgorio Pechuga is made using two distillations. On the second distillation, the mezcalero adds locally harvested fruit and spices, such as pineapple, orange, plantains, anise, to name a few. On the second distillation, the mezcalero hangs a raw guajolote – a creole turkey rooster of the region – on the inside of the pot still.

Eric Bordelet acquired this unique cask, dating back to 1982, from his neighbours, the sons of an esteemed local distiller who'd recently passed. Nut brown in colour, the aromas are especially intriguing: bright, dusty, nutty, and reminiscent of old sherry – but as if the sherry had strangely been made with apples.

empirical spirits

From the Copenhagen based distillery, founded by former Noma alumni Lars Williams and Mark Emil Hermansen. This unique spirit is forged from local heirloom barley, koji (cultured rice) and aromatic Belgian saison yeast. Distilled in a futuristic vacuum still at a very low temperature. This preserves the most delicate flavours and complexities possible.
